Section 1: Items in this section must be completed

1.1 Type of Registration Request *

- ☐ New Model of Equipment ☐ Modified Model of Equipment

1.2 Equipment Registration Scheme *

Simplified Equipment Registration

- ☐ ESER (Self-declaration) ☐ SER (Self-declaration)

General Equipment Registration

- ☐ GER (Declaration certified by an IMDA recognised body)
☐ GER (Declaration evaluated by IMDA)

1.3 Supplier's Particulars (Declaring Party)

Company Name:	Telecom Dealer's Licence No:
Address:	Telephone No:
Postal Code:	

1.4 IMDA Recognised Certification Body's (CB) Particulars (if applicable)

Name & Address of CB	CB's Certificate No:
	(Please submit copy of Certificate issued by CB)

1.5 Supplier's Contact for Technical Information

Name:		
Designation:		
Email:	Local Phone No:	Local Fax No:

* I/We declare that all information given in this request for registration and in the documents attached is true and correct.

* I/We warrant that each unit of equipment to be sold will comply with all applicable technical requirements.

Supplier's Signature & Date

Name & Designation

Company's Stamp

Section 2: Equipment Particulars must be completed

2.1 Equipment Information	
Equipment Type + <input type="checkbox"/> GSM (e.g. handheld/portable, base station) <input type="checkbox"/> 3G Terminal <input type="checkbox"/> Short Range Device (e.g. Bluetooth and/or WLAN, remote controls, RFID, alarm and paging systems etc.) <input type="checkbox"/> Cordless Phone (DECT, PHS or analogue) <input type="checkbox"/> Land Mobile Radio <input type="checkbox"/> Wireless Broadband Access <input type="checkbox"/> Broadband Access (ADSL or cable modems) <input type="checkbox"/> Complex/Multi-line (e.g. ISDN and BISDN equipment, PABX, payphone etc.) <input type="checkbox"/> Single-line (e.g. telephone, fax machine, voice band modem etc.)	
Equipment Description:	
List the IMDA Technical Specifications which the Equipment is conforming to:	
(Please submit the Supplier's Declaration of Conformity.)	
Trade Name:	Manufacturer's Name & Address
Model:	
Country of Origin/Import:	
Year of Manufacture	

2.2 Equipment Technical Data (Line Terminal Equipment) +	
List of Network Interface Cards used (if applicable):	
Auto-dial Feature: <input type="checkbox"/> Yes <input type="checkbox"/> No	
Software Version used (if applicable):	Switch/Protocol Type (if applicable):

2.3 Equipment Technical Data (Radio-communication Equipment)	
Frequency band(s):	
RF Power Output (EIRP):	Channel Spacing (in kHz):
Specific Absorption Rate (SAR) Value in W/kg @10 g: (applicable to mobile phone only)	

Section 3: Submission Requirements

One of the registration packages must be submitted together with the registration request. +		
<input type="checkbox"/> SER (Self-declaration) a Registration Fee b SDoC c Photographs of Equipment d Sales Brochure with Technical Data (e.g. Frequency Band and RF Power Output)	<input type="checkbox"/> GER (Declaration certified by an IMDA recognised body) a Registration Fee b SDoC c Copy of Certificate issued by CB d Photographs of Equipment e General Information or Sales Brochure	<input type="checkbox"/> GER (Declaration evaluated by IMDA) a Registration Fee b SDoC c Photographs of Equipment d Description of Equipment e Sales Brochure with Technical Data f Test Reports g Facilities supported h User Guide
